2.0 Event Structure

2.1 Current Event: a-X Anti-Atlas Group Expedition.

2.2 Location: Southern Morocco / Anti-Atlas Region.

2.3 Event Dates: 22 March 2027 – 28 March 2027.

2.4 Estimated Duration: Approximately 7 days including 6 riding days.

2.5 Each day is designed around a principal route with alternative route options where available.

2.6 Riders may choose their own pace, route options and riding style.

2.7 Riders are not required to remain with the group and may choose to ride independently at any time.

2.8 Participants leaving the planned route structure or group arrangements remain fully responsible for their own logistics, navigation and safety.

3.0 Eligibility

3.1 Participants must:

- Be at least 18 years old;
- Be physically capable of completing the expedition;
- Have sufficient self-sufficiency and remote-riding competence;
- Use appropriate equipment;
- Wear a helmet at all times while riding;
- Carry and use appropriate front/rear lighting and visibility equipment where conditions reasonably require it;
- Confirm they hold suitable insurance.

3.2 Participants are solely responsible for ensuring that they hold a valid passport and any visa, entry permission, immigration documentation or other authorisation required to enter Morocco and remain in the country for the full duration of the Expedition. a-X is not responsible for any inability to participate arising from a participant's failure to meet applicable entry or immigration requirements.

3.3 a-X reserves the right to reject or remove participants before or during an event at its sole discretion.

4.0 Payments & Deposits

4.1 A non-refundable deposit is required to secure a place on the event.

4.2 Current payment structure:

- Deposit: **€200**;

- Final balance: **€200** payable before 31st January 2027.

4.3 Payments of the a-X Expedition Fee are processed by Stripe, an independent third-party payment provider. By using the payment service, participants may also be subject to Stripe's applicable payment terms and privacy notice. Stripe acts solely as the payment processor and is not responsible for the organisation or delivery of the Expedition.

4.4 Deposits are generally non-refundable but may, at a-X's discretion, be transferred as event credit toward a future expedition or gifted to another rider.

4.5 The a-X Expedition Fee does not include accommodation, local transfers, luggage transfer, bike-box storage, standby vehicle support, flights or personal expenses.

4.6 Local accommodation and logistics will be provided and/or arranged by the independent Moroccan DMC described in Section 5.

4.7 If a-X cancels the Expedition and the event does not proceed, all a-X Expedition Fees paid by participants, including deposits, will be refunded in full. a-X will not be responsible for separately booked flights, accommodation, travel or other third-party costs, and participants are strongly advised to ensure these are covered by appropriate travel insurance.

5.0 Third-Party Providers

5.1 The Expedition is supported by an independent destination management company ("DMC") in Morocco, which will provide and/or arrange local services including accommodation, transfers, luggage transfers, bike-box storage, standby vehicle support and related logistics.

5.2 The estimated cost of these services is up to €550 per participant, depending on final participant numbers and requirements. This cost is separate from the a-X Expedition Fee and will be confirmed before the final payment is due.

5.3 Participants will contract directly with, and where applicable make payment directly to, the DMC for these services. a-X may coordinate arrangements and facilitate communication between participants and the DMC but does not receive the DMC's fee or provide those services itself.

5.4 The DMC and other accommodation, transport and local service providers operate independently from a-X. Their services are subject to their own booking, cancellation and service terms.

5.5 Participants are responsible for paying any DMC charges by the specified deadline. Failure to do so may mean that the participant cannot take part in some or all of the Expedition.

6.0 Weather, Route & Operational Changes

6.1 A standby vehicle support may be made available – provided by the DMC - during certain riding days where terrain and access reasonably allow. No guarantee of vehicle availability, recovery or evacuation capability is provided.

6.2 Routes, schedules and logistics may change due to weather, terrain conditions, political or safety issues, road closures, mechanical issues, group dynamics, provider availability or force majeure events.

6.3 Participants acknowledge that expedition-style riding inherently involves uncertainty and flexibility.

6.4 No guarantee is made that any planned route, checkpoint or schedule will be completed exactly as described.

7.0 Conduct & Community Standards

7.1 Participants must behave respectfully toward:

- Other riders;
- Local communities;
- Religious/cultural sensitivities;
- Accommodation providers;
- Local laws and customs.

7.2 Public roads remain open to traffic and participants must comply with all applicable traffic laws and ride responsibly at all times.

7.3 Harassment, dangerous behaviour, intoxication, illegal activity or conduct deemed incompatible with the group ethos may result in removal from the event without refund.

7.4 Participants removed from group activities remain responsible for their own onward logistics and arrangements.

8.0 Media & Privacy

8.1 Participants acknowledge that photography and video may be captured during rides and expedition activities.

8.2 a-X may use general expedition imagery for promotional, documentary or community purposes unless participants explicitly request otherwise in writing prior to the event.

8.3 Emergency contact information and medical disclosures will only be used for expedition-related operational purposes and will not be shared with third parties unless operationally necessary and agreed where possible.

9.0 Governing Law

9.1 These Terms & Conditions are governed by the laws of England & Wales.

9.2 Any disputes arising from participation in a-X events shall be subject to the jurisdiction of the courts of England & Wales.
